Pattern:

Cap: (number of st. divisible by 2)

each rd: knit 1 st. plain and 1 st. purl alternately .

Decreases: knit together 3 M pulled over (= lift off in plain 1 st in front of marked st and the marked st, knit the following st plain, pull the 2 slipped st over the knitted st)

Scarf :

Relief pattern: (number of st divisible by 2 plus 1 st plus 2 edge stitches)

1. r (= return row): edge stitch, 1 st plain, 1 st purl alternately, end with 1 st plain, edge stitch

2. r (= right-side-row): knit plain between edge st.

Keep repeating between 1. - 2. r.

Edge stitch:

At the start of a row knit plain, at the end of the row slip st as in knit plain.

Stitch test:

Cap: 20 st x 18 r = 10 cm x 10 cm (do not measure stretched)

Scarf: (relief pattern) 14 st x 20 r = 10 cm x 10 cm

Instructions:

Cap:

The cap is knitted in rounds.

Cast on 80 st, distribute onto 4 needles of the set (= 20 st per needle), close to round and knit 25 cm (= 45 rd.). Now mark 5., 15., 25., 35., 45., 55., 65. and 75. stitches and knit decreases in the following row over the 8 marked st (see pattern). Repeat these decreases 3 x in each 2. rd (= 16 st), in rd between, knit as st appear. After the last decrease, knit 1 more rd as st appear and in subsequent rounds always knit together 2 st in plain. (= 8 st). Pull the remaining 8 st together with the yarn.

Scarf:

Cast on 31 st plus 2 edge stitches and knit in relief pattern, starting with 1 return row. In approx. 200 cm height, end with a return row, then cast off st, knitting st as they appear.
