100 % cotton (mercerized, gazed, combed)

50 g / 280 m

**ball type:** cake ball

**Recommended needle size:** 1,3 - 1,5

**Swatch:** 0 M x 0 R = 10 cm x 10 cm

**Description:**

- the pure cotton is combed, mercerised and gassed
- this yarn has a silky, wash-resistant shine and a smooth, fine and clean look
- double twisted, 3 x 2 threads, first 2 threads are twisted together and then in a second process 3 of these double threads are twisted again together
- this guarantees excellent durability
- easy to crochet or knit
- easy-care, washable up to 60°C (solid colours) and 40°C (printed ombré colours)
- pure natural fibres (= seed fibres from the cotton plant)
- mercerised: a chemical process which gives the cotton a silk-like, wash-resistant shine
- gassing: a refining process in which the yarn is exposed to a very hot flame to remove any fuzz or excess lint. The result is a smoother cotton yarn with reduced pilling tendencies.

**Use - Crochet and Knitting Ideas:**

- doilies, table runners, table cloths, bistro curtains, etc.
