**Usage:** wide scarf in wave pattern with size 3,5 - 4mm needles approx. 180 x 30 cm approx. 200g

shawl in lace pattern using size 3,5 - 4mm needles approx. 90 x 170cm approx. 300g

1 pair of socks up to size EU 46/47 approx. 100g

**Description:**

- simple single twisted roving yarn
- the colours are printed before the spinning process on the open roving band thus creating a long and soft colour change
- this effect can only be created with a single ply yarn and therefore less hard-wearing when compared to the classical 4-ply sock yarn
- very long colour repeat that is carried through almost the entire sock
- every sock is therefore one-of-a-kind
- colouration is similar on the socks but not identical
- fantastic colour effect that comes straight out of the ball

**Use – Knitting Ideas:**

- not your every day socks with a special colour pattern
- scarves and shawls using the modern lace techniques with colourful yarns where a larger needle is used!

**Care Instructions:**

- washable at max. 30°C, gentle cycle
- do not iron
- do not bleach
- not suitable for the tumbler
- professional dry-cleaning can be used
- use only low spin cycle
- use liquid fine or wool detergent
