approx. 600 g for a sweater in size 38

Needle Size: 3,0 - 4,0mm

Usage:

Pullover size EU38: approx. 600 g, Hat: approx. 100 g

Description:

- pure, finely spun merino wool is a natural product
- a fantastic yarn for all kinds of high-quality knitting projects
- easy-care because of the superwash treatment
- unbelievably premium and cuddly soft
- very good wearing conditions and temperature regulation
- 12 threads are spun together using a double twisting process which binds the individual fibres into the yarn exceptionally well
- the knitted pieces tend not to pill as easily, last longer and have brilliant colours
- a large range of fashionable colours makes the selection difficult
- very nice and homogenous knit stitches, creates a uniform knitted surface
- perfect for pattern fans, whether cables, lacework, Fair Isle or simple colour combinations in stripes
- slips easily over the needles, almost as if it is knitting itself

Use - Knitting Ideas:

- multitude of diverse uses for all requirements
- because it is so soft, perfect for babies and small children
- for high-quality jumpers, jackets, vests, etc.
- also good for cuddly accessories such as infinity scarves and hats that will keep the wearer warm and won't scratch

Care Instructions:

- using extra gentle cycle washable at max. 40°C, it is best to use the hand wash cycle on the machine
- use liquid fine or wool detergent
- do not use fabric softeners because the wool can lose its natural bounce and superwash treated fibres do not react well to fabric softeners
- dry knitted pieces lying flat on a towel and gently stretch into shape
- do not dry in direct sunlight
- do not iron
- do not use chlorine bleach
- do not tumble dry
- can be professionally dry-cleaned
- delicate washing cycle, max. 30 °C
- chlorine for bleaching not possible
- do not put in the dryer
- Do not iron
- professional dry cleaning possible
