and knit 26 (30) cm (= 42 (48) r) in the drop-stitch pattern, in the last r of the drop-stitch pattern (= 6th pattern row) decrease 16 (17) stitches, by decreasing 16 (17) x after the est alternating from every following every 2nd st and by decreasing 1 k from every following 3rd st (= 66 (73)). Now continue knitting in stocking stitch. At a height of 8.5 (10.5) cm (= 15 (19) r) from the beginning knit in stocking stitch on both sides for arm cutouts 3 st., then i.e. 2nd row on both sides bind off 1 x 2 st and 1 (2) x 1 st (= 54 (59) M). After 25 (28) cm (= 45 (51) R) knit stocking stitch from the beginning for the neckline bind off the center 16 (17) st and finish both sides separately. For the inner rounding of the neckline i.e. 2nd r bind off 1 x 2 st and 1 x 1 st, then bind off the remaining 16 (18) shoulder stitches straight. Finish the 2nd side in a mirror-inverted way.

Now continue knitting in stocking stitch. Knit the sleeve cutout at the right working edge like the back part. After 13 (15) cm (=24 (28) r) start from the beginning knitting stocking stitch on p working edge for the front neckline 4 st, then bind off i.e. 2nd r 1 x 3, 1 x 2 and 2 x 1 st. Bind off the remaining 16 (18) shoulder stitches straight at the same height as the back part.
